Re: MM Docket Nos. 96-7 and 96-12  
(Banks, Redmond, Sunriver, Corvallis, and The Dalles OR)

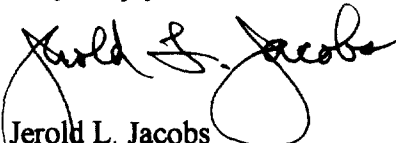

Dear Ms. Salas:

Enclosed for filing on behalf of our client, CBS Radio License Inc. ("CBS"), licensee of Station KBBT-FM, Banks, Oregon,<sup>1</sup> are an original and four (4) copies of its "Consent Motion for Extension of Time" in the two above-referenced FM channel rulemaking proceedings.

Under Sections 1.429(d) and 1.4(b)(1) of the Commission's Rules, oppositions to the Petition for Reconsideration filed by Madgekal Broadcasting, Inc. ("MBI") against the Report and Order, DA 98-612, in this proceeding are due on June 16, 1998. However, counsel for MBI has consented to an extension of time until and including Tuesday, June 30, 1998, for CBS to file its Opposition to MBI's Petition. For good cause shown in the enclosed Consent Motion, CBS respectfully requests that the Consent Motion be granted.

Please direct any communications or inquiries concerning this matter to the undersigned.

Very truly yours,

Jerold L. Jacobs

**CONSENT MOTION FOR EXTENSION OF TIME**

<sup>1</sup> The transfer of control of American Radio Systems and its licensee subsidiaries including American Radio Systems License Corp. ("ARSC") was effective on June 4, 1998. Also on that date, the name of ARSC, the licensee of Station KBBT-FM, was changed to CBS Radio License Inc. CBS Radio License Inc. is a subsidiary of CBS Corporation. Accordingly, CBS Radio License Inc. is the successor licensee of KBBT-FM.

opposition to the Petition for Reconsideration that was filed in the above-captioned proceeding by Madgekal Broadcasting, Inc. ("MBI"), licensee of Station KFLY(FM), Corvallis, Oregon. In support of CBS's Motion, the following is shown:

1. By Report and Order, DA 98-612, released April 3, 1998, the Chief, Allocations Branch of the Commission's Mass Media Bureau rejected a proposed settlement agreement filed by ARSC and MBI in this proceeding and, inter alia, amended the FM Table of Allotments by modifying Station KBBT-FM's license to specify operations on Channel 298C1, instead of Channel 298C2, at Banks, Oregon, and by allotting Channel \*268C3 to The Dalles, Oregon. On May 19, 1998, MBI filed a Petition for Reconsideration which urges that the settlement agreement should have been approved by the Commission or, alternatively, that, instead of the Banks and The Dalles allotments, the Commission should have modified Station KFLY(FM)'s license to specify operations on Channel 268C, instead of Channel 268C2, at Corvallis, Oregon. A summary of the Report and Order was published in the Federal Register on June 1, 1998 (63 Fed. Reg. 29735), so that, under Sections 1.429(d) and 1.4(b)(1) of the Commission's Rules, CBS may file an opposition to MBI's Petition on or before June 16, 1998. Counsel for CBS has contacted counsel for MBI, and counsel for MBI has consented to an extension of time until and including Tuesday, June 30, 1998 for CBS to file its Opposition to MBI's Petition.

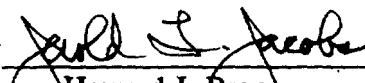

2. The reasons for the requested extension of time are that MBI's Petition and accompanying exhibits are more than 100 pages long, the filing raises a number of legal, procedural, and technical engineering objections to the Report and Order that require detailed analysis, and CBS has only been the licensee of Station KBBT-FM since June 4, 1998 and,

therefore, needs more time to familiarize itself with the issues raised and to formulate an appropriate response. The requested 10 additional business days will give CBS and counsel a fair opportunity to develop their positions and provide a comprehensive response to MBI's Petition. Accordingly, CBS urges that the Mass Media Bureau's grant of this Consent Motion will serve the public interest.

WHEREFORE, in view of the foregoing, CBS respectfully requests that the date for filing an Opposition to the Petition for Reconsideration in this proceeding be extended to and including June 30, 1998.

Respectfully submitted,

**CBS RADIO LICENSE INC.**
